## Medication and Illness Reminder

As per our school policy, school staff are only able to administer medication/antibiotics, if your child has been issued a GP prescription to be taken four times a day. Under no circumstances should your child be sent into school with any medication including pain relief/creams without completion of the Parental Consent of Administration of Medicines Form available in the school office.

If your child suffers with sickness and/or diarrhoea, the school policy is to keep them from attending school for 48 hours from the last occurrence. This is supported by current NHS Guidance available by following the link <https://www.nhs.uk/conditions/diarrhoea-and-vomiting/>

## Spring Term Parents' Consultation Evenings

The school will be holding its Spring Term Parent/Teacher consultation evenings on the following dates:

WEDNESDAY	27th March	3.40 –6.00 pm
THURSDAY	28th March	3.40 –6.00 pm

This will be an opportunity for you to discuss progress so far this year and to look at your child's work. It is also an opportunity to see how you can help your child at home, and what they need to work on.

**Please be aware that appointments are for five minutes.** If you have other issues to discuss please make a separate appointment so that staff don't over run and keep other parents waiting. I should be grateful if you would return the slip below indicating your **preferred day and time**. Staff will return an appointment slip with your allotted consultation time. Appointments will be in your child's class.
