

Subject Concept Grid	Reading Year 3
-----------------------------	-----------------------

expression	decode	listen	picture	structure
grammar	order	character	image	illustration
information	presentation	visual text	written text	responding
reasoning	meaning	comprehension	organisation	strategies
theme	connection	prediction	comparison	similarity
difference	literal	inference	fact	opinion
instruction	visualisation	meaning breakdown	repair	voice
scan	skim	summarise	evidence	key words

Subject Concept Grid	Reading Year 4 (+ y3)
-----------------------------	-------------------------------

dialogue	identify	sustained reading	purpose	context
analyse	statement	implication	compare	contrast
expression	decode	listen	picture	structure
grammar	order	character	image	illustration
information	presentation	visual text	written text	responding
reasoning	meaning	comprehension	organisation	strategies
theme	connection	prediction	comparison	similarity
difference	literal	inference	fact	opinion

instruction	visualisation	meaning breakdown	repair	voice
scan	skim	summarise	evidence	key words

Subject Concept Grid	Reading Year 5 (+ y4 & y3)
-----------------------------	---------------------------------------

imagery	effect	motive	justify	comments
style	synthesise	retrieve	viewpoint	choices

dialogue	identify	sustained reading	purpose	context
analyse	statement	implication	compare	contrast

expression	decode	listen	picture	structure
grammar	order	character	image	illustration

information	presentation	visual text	written text	responding
reasoning	meaning	comprehension	organisation	strategies
